Los Angeles, CA

03.2024

Event Sponsor: USPTO's AI and ET Partnership

David Nimmer spoke on a panel, "Litigation Update: Copyright and Artificial Intelligence," at the United States Patent and Trademark Office (USPTO) Artificial Intelligence (AI) and Emerging Technologies (ET) Partnership's public symposium on AI and IP on March 27, 2024.

The event took place virtually and in-person at Loyola Law School. It featured speakers from the Copyright Office and panel discussions by experts in the field of patent, trademark and copyright law.
