06.2023

Lisa Glasser and Amy Proctor were recognized among the *Daily Journal's* 2023 Top Women Lawyers. The list honors 100 California women attorneys who have made the biggest impact in their fields.

Practice Areas

Intellectual Property
Litigation
Litigation

The publication highlighted Lisa's \$218.45 million verdict for USAA in a patent suit against PNC Bank, and her work in obtaining the dismissal of a declaratory judgment action brought against USAA by Mitek. Lisa was also recognized for serving on the team that scored a \$303.15 million infringement verdict for Netlist in a suit against Samsung. Amy was honored for her work in securing a pair of blockbuster wins for VLSI Technology in suits against Intel, including a \$2.3 billion judgment—the biggest patent judgment in U.S. history—and a \$948 million verdict.
